

## **Breakout Sessions Discussion Questions: March 24, 2022**

- 1) WHO NTD Road map and GLODERM's response
  - What are the largest obstacles to enacting this vision?
  - What are the greatest areas of opportunity?
  - How can GLODERM influence and help lead this response?
  
- 2) GLODERM Mentorship Curriculum
  - Of the topics listed, what do you think would be most beneficial for the mentorship program? What additions would you recommend?
  - How would you rank the topics and in what order?
  - How can we build this program and what is the current/future direction?
  
- 3) GLODERM Strategic Plan and Vision
  - Do you agree with these 3 strategic directions?
  - Do you agree with the goals beneath each of the strategic directions?
  - How many committees do you feel would be appropriate in governance structure at this time?
  - What committees would you recommend?
  - Can each goal be tied to one or more of these committees?
  - What is the best way to recruit active members to serve on the committees?
